2017 Gordon Hall Days

Map

Welcome to Gordon Hall Days 2017
“A Country Fair”.

We will be offering you a number of activities for your enlightenment and entertainment. We have tried to find something for all ages. The list of activities as well as the times they are scheduled can be found on the inside of this brochure. Some activities will be available both days, but there are some that have specific days and times, so we are getting this out to you early so you can plan ahead. Circumstances beyond our control may make changes necessary.

Entrance Fees will be collected as you drive in. We are asking for a donation of \$5 each or \$15 per car. Wristbands will be given to all in the vehicle. For those who walk in, wristbands may be purchased at the information booth. Handicapped Parking areas will be further up the drive. We appreciate your parking where instructed by our volunteers.

In case of severe weather, all events will be canceled, however we will have tents for most activities so we expect to have the event in case of light rain.

Directions:

I-94 E, Exit 167, Turn Left onto Baker Rd.
I-94 W, Exit 167, Turn Right onto Baker Rd.
Take Baker North for 2.89 miles
Turn left onto Main St.
Go under stone bridge
(Clearance - 11' 10")
Turn left at stop light onto Driveway
Volunteers will show you where to park
